2005

关闭位于青山镇荔江村的老厂，迁址双堆工业区,建立设施齐全的生产园区
产品以出口为主, 销往欧美、中东、东亚国家
In order to optimize our production capabilities, we decided to shut down the outdated factory situated in Lijiang Village, Qingshan Town, and relocate to the well-equipped Shuangdui Industrial Zone. The primary objective of the move is to export better quality products to Europe, the United States, the Middle East, and East Asian countries.

2008

成立大地化工漆业,主要生产各高中档木器用漆、环保型油漆，供本厂及本地区其他厂家使用。协助某全球知名内衣品牌完成店铺衣架更新企划。在不影响其他客人订单的情况下, 1个月完成全部300万支衣架生产并发货。

Dadi Chemical Paint Industry was established, primarily specializing in the production of a wide range of wood paints, especially environmentally friendly paints for our factory and other manufacturers in the region. This greatly enhanced our production capability. In that year, we successfully completed the production and delivery of three million hangers within just one month for an international brand, without affecting the orders of other customers.

2009

逐步与世界知名服装品牌建立合作关系，这些合作大多持续了十几年，直到今天还在继续
Gradually established cooperative relations with international fashion brands. Many of these collaborations have endured for over a decade till now.continue to this day.
